

# Roller Ski Skills Training Course

Lancaster: 10<sup>th</sup> - 11<sup>th</sup> October 2020

## Expression of Interest Requested

Manchester Cross Country Ski Club is in the process of planning the 2020 SnowSport England Lancaster roller-ski skills training event at Salt Ayre Sports Centre cycle track. As in previous years the intention at this time, is to organise a two-day event, which delivers high quality roller ski skills training to skiers across a range of skills and abilities.

Due to the current corona-virus epidemic UK Government guidelines and in line with the gradual lifting of the corona virus restrictions a number of changes have needed to be made to the normal organisation of this event. Course group numbers and costings are based on current UK Government guidelines.

We are also considering if we should run a one-day event instead of a two-day event given the impact of current guidance on overnight stays.

### Register Interest

To gauge interest in this event we are asking those interested in attending to **register with the event organiser (see below) before Saturday 18<sup>th</sup> July.**

Could you indicate:

- If you would be happy attending a 2-day and/or 1-day event.
- What skill level you would consider applying for (beginner, improver, intermediate, advanced).
- If you plan on not arriving by private car.

If the course is run then those that registered interest will be given the opportunity to book places first.
